Skin Care

Restore and revitalize your skin with personalized facials and microdermabrasion for a smoother, more radiant, youthful-looking complexion.

30-Minute Express Spa Facial $75

Designed for busy schedules, this rejuvenating treatment delivers a quick yet refreshing boost for your skin. Enjoy a relaxing scalp massage, followed by cleansing, toning, exfoliation, and a customized mask. Finished with a nourishing moisturizer and a facial massage.

50-Minute Deluxe Spa Facial $95

Indulge in a luxurious facial designed to deeply cleanse, hydrate, and rejuvenate your skin. This experience begins with a gentle clarifying cleanse, exfoliation, and extractions to remove impurities. A customized mask is applied while you enjoy a soothing hand and arm massage to melt away tension. The treatment is completed with a nourishing moisturizer, facial massage, and lip balm.

90-Minute Skin Renewal Facial w/Enzyme Mask $115

This result driven facial includes all the pampering and relaxation of the Deluxe Spa Facial. Yet it also focuses on detoxifying, unclogging pores, smoothing, firming, and helping dull skin look more radiant and refreshed. The enzyme mask boosts blood flow and stimulates collagen production, leaving the skin feeling firm, tight, and ultra clean.

105-Minute Muscle Tightening Facial w/Triple Layer Mask $135

The treatment starts with the Skin Renewal Facial and is followed by two additional layers of masks. These muscle tightening masks target the deeper facial muscles. This process is designed to lift, tone, and tighten the skin, providing a firmer and more youthful appearance. This treatment is suitable for individuals with signs of aging or is a proactive choice for those looking to combat sagging and loss of tone before it becomes more prominent.

Microdermabrasion

Microdermabrasion gently removes the outer layer of dull, dead skin cells. This treatment instantly smoothes skin texture, softens the appearance of fine lines, minimizes pores, diminishes pigmentation spots and scarring. It also enhances product absorption for continued skin renewal—all with no downtime!

+ added to any facial $65
